Dear Colleagues,

We are delighted to invite you to the 15th Iranian Endourology & Urolaparoscopy Society Congress (IEUS Congress 2024), scheduled for December 4–6, 2024, in Tehran. Our scientific program promises three full days of engaging panel sessions, discussion forums, debates, and symposia, all focused on the latest innovations and advancements in minimally invasive procedures and techniques in endourology and urolaparoscopy.

We are committed to creating a compelling scientific agenda featuring esteemed guest speakers, skilled endourologists, and distinguished Iranian scientists. We trust that the program will meet your expectations and enhance your experience during your visit.

We look forward to welcoming you, sharing insights from your professional journey, and delving deeper into the field of minimally invasive urological surgery.

We hope you will join us at IEUS Congress 2024.

Warm regards,

Seyed Habibollah Mousavibahar, MD.
